

ENVIRONMENTAL POLICY

This policy applies to all activities undertaken by La Sentinelle Group and impacts upon key suppliers and customers.

We are committed to minimising the environmental impact of our operations. In particular, we will achieve this through our commitment to:

- Comply with all relevant legislation and regulations.
- Regularly review the environmental impact of our activities, endeavour to reduce our overall environmental impact and prevent waste using best practice techniques.
- Involve employees in our environmental programme and provide necessary training to enable them to discharge their responsibilities.
- Sustain a programme of continual improvement in environmental performance incorporating suitable measurement and monitoring mechanisms.
- Work with key suppliers to encourage them to develop environmental best practice.
- Improve resource efficiency (including our use of water, energy and raw materials).

The company will foster environmental awareness and understanding in all employees, suppliers, customers, subcontractors and other stakeholders. Where practicable, the company will provide information and assistance to customers on environmental issues arising from its products and services.

Improvement will be continuous and the company will report internally and externally on its progress against its goals and objectives.
